Sir:

Enclosed is a Certificate of Correction submitted under the provisions of 35 U.S.C. §254, to correct errors of the Patent and Trademark Office in the printing of the above-identified U.S. Patent.

In addition to the errors of the Patent and Trademark Office, a review of the patent has revealed the presence of errors attributable to applicants/patentees, which however are of a minor and self-evident character, as listed below:

Column 2, line 19, "Trifluoride", Applied" should be -- Trifluoride," Applied --.

Column 2, line 22, "Compounds", Journal" should be -- Compounds," Journal --.

Column 9, line 21, "to clean interior" should be -- to clean the interior --.

Column 9, line 46, " - - - Although" should be -- Although --.

While the foregoing errors attributable to applicants/patentees are not of a serious enough nature to warrant a Certificate of Correction, applicants/patentees nevertheless wish to bring same to the attention of the Patent and Trademark Office, so that such errors are made of record in the file of this patent.

Respectfully submitted,
